

## DMC A/L ICT Team won national 1st place in SLIIT CODEFEST 2020

### Coding contest in Senior Category

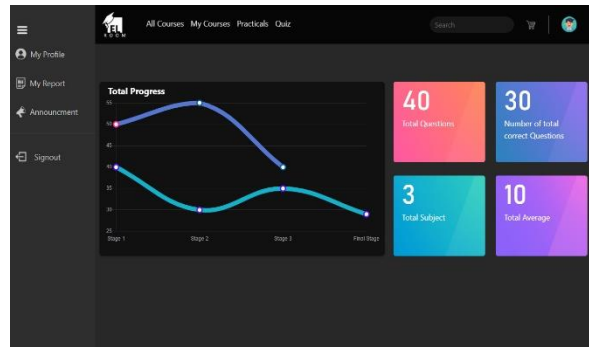

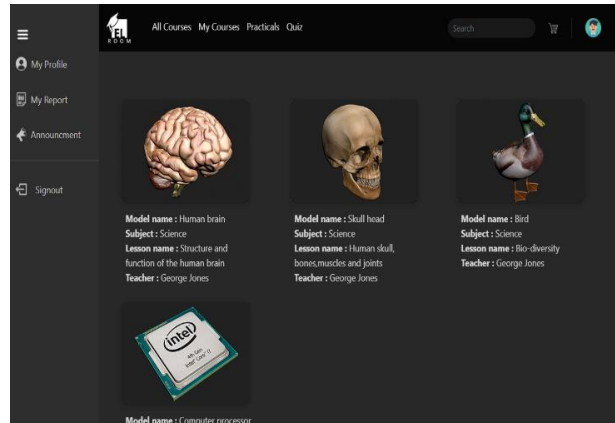

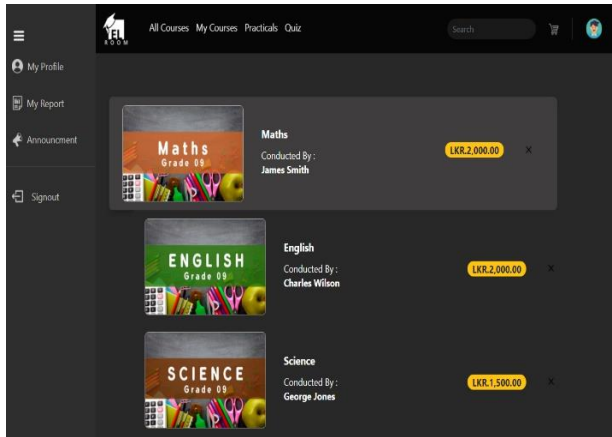

Our college team of AL ICT society won Gold Award in Coding Contest Senior Category at SLIIT Codefest 2020.

CODEFEST is the effort of SLIIT to elevate the entire nation's ICT knowledge to achieve the nation's aspiration of being the knowledge hub in Asia. Therefore, having realized the present need of the country, the Faculty of Computing of SLIIT is conducting CODEFEST, a Nationwide Software Competition in collaboration with the Ministry of Education.

Our college team marked their position as first with the cash prize of Rs 70,000.00 by competing with 85 Schools around Sri Lanka. According to the theme “Coding for Better Tomorrow”, our team developed a new E-Learning Platform for students and teachers. This platform comprises new Innovative features including, **a real-time AR feature.**

Furthermore, they have done several types of research to find out the problems of existing e-learning platforms to optimize their system. Ultimately their planning to introduce this platform to the Sri Lankan education system.

Names of our college team members are,

1. L. Supun Sashipriya Silva (Team Leader) – 12 MATHS 2
2. W. Ravindu Shehan Fernando – 12 COM 1
3. K. Anton Rashan Silva – 12 COM 3

Teacher In charge M.A.Y. Suhashinee Bandara
