LTTE equipment unearthed

Rafik Jalaldeen

A special police team has unearthed LTTE communication equipment and a photo album containing photos of LTTE leader Velupillai Prabhakaran in a dense jungle in Serunuwara, Trincomalee.

Police spokesman SSP I.M. Karunaratna said acting on information disclosed by an LTTE cadre, a police team from Trincomalee Crime Division recovered LTTE communication equipment in Mavalvedu jungle on Tuesday noon. They unearthed a J.R type hand grenade, a satellite receiver, two satellite telephones, a computer, 92 feet of solar electronic wire, a remote control device, a solar powered satellite telephone and an album which included photos of LTTE leader Prabhakaran.
